Start with a background of Playful patterned paper. Cut a 6x7 rectangle of Breezy paper and adhere it to the right side of the page. Add a 4x6in photo on top.

STEP 02

Add a 2x3in photo next to the focal photo. Cut a 4x3in rectangle of Dew patterned paper and add it to the left of the small photo.

STEP 03

Use a border punch on the yellow graph patterned paper from the 6x6 pad. Add alongside the 4x6 photo and the Dew patterned paper block. Add a strip of Cheerful pp to the top of the layout

STEP 04

Add foam adhesive to a die cut balloon and attach to the Dew patterned paper. Layer a smaller balloon right under it. Add two die cut banners, then top with a die cut label. Add stars, ampersand and wood veneer word to embellish. Staple a butterfly sequin to the top of the patterned paper block and add string to the balloons.
